**Over 800 lives saved since 1925**  
**Help us to continue serving our community.**

## The Henley Surf Life Saving Club

Henley Surf Life Saving Club has the proud record of being South Australia's first Surf Life Saving Club, having been established in 1925. We are run solely by volunteers and during the 2009/10 season a total of 4,615 patrol hours were dedicated to ensuring our beach is safe. To date, over 800 lives have been saved as a direct result of our patrols.

### What is the Big Row?

This event is Henley Surf Life Saving Club's major annual fund raiser and involves a collaborative effort from our female, junior and male members rowing a surf boat 68kms across the Gulf St. Vincent from Stansbury on the Yorke Peninsula to Henley Beach. Now in it's fifth year, the 2011 Big Row will take place on Saturday 12th February.

5am - The start of the Big Row 2008 at Stansbury

2pm - The finish at Henley Beach 68kms later!

### Fundraising for the Future

We are committed to ensuring our history is preserved and that the essential services performed by our life saving volunteers over the past 85 years will be continued well into the future.

All money raised from the Big Row will contribute towards the money required to redevelop our club rooms, which are in poor condition and urgently need upgrading.

### Promoting Beach Safety and Community Involvement

Members of Henley SLSC with Stansbury Primary School students

This event is also used to promote the message of "swimming between the flags" and to heighten awareness of beach safety issues. As part of the National Surf Life Saving Program to educate school children living in regional areas, each year Henley SLSC conducts a Beach Safety session for the Stansbury Primary School which has received fantastic support from the local community.

### Why should my company get involved?

- You will be supporting a vital community service;
- Benefit from the widespread media coverage of this event including newspapers, television and radio;
- Financial Support is tax deductible.

### How can I help as an individual?

There are two supporter category options, alternatively all donations of any amount (or "in kind") are tax deductible and gratefully received.

**Please see over the leaflet for an outline of the Big Row sponsor and supporter categories.**
